

See the Sound; Visual Phonics

With Sonya Duncan, SLP and Certified Visual Phonics Instructor

BACK BY POPULAR DEMAND
August 18 and 19, 2010

At Birney Elementary in Tacoma

See the Sound Visual Phonics is an inexpensive supplementary technique and material that can be used with any curriculum. It has been used successfully with learning disabled, multihandicapped, and deaf and hard of hearing students. Speech clinicians, general education teachers and preschool teachers use it in literacy programs and general education classrooms.
