

Family-to-Family Communities Project (F2FC) *Connecting Families of Individuals with Deaf-Blindness during the COVID-19 Pandemic*

Are you the Parent, Guardian, or other Family Member of an Individual with Deaf-Blindness?
Are you experiencing extra stressors in coping with the COVID-19 pandemic while caring for your loved one?
Would you like to talk with other families who understand your unique perspective?

The Family 2 Family Communities (F2FC) project is offering a series of drop-in meetings for families to connect and support one another. Any family member of an individual with deaf-blindness is welcome to participate. You do not need to be previously registered with F2FC- all are welcome!
